Miss Thelma doesn't approve the match and has a house party at her home in the hills, to break up the romance. JUNIOR PLAY

The juniors gave the play, "Oh, Promise Me!", on November 26 and 27, 1941.

On the train back from Princeton, Barry Hollis meets and falls immediately in love with Gladys Vance.

He persuades his aunt, with whom he makes his home, to send Gladys a note inviting her for a visit. Another note goes to Patsie Linden, a little dancer and old flame of Barry's, asking her to send back his frat pin.

Alas, the notes get mixed! Patsie arrives with her mother and threatens a breach of promise suit unless Barry marries her immediately. Then Barry has a bright idea: He couldn't possibly marry Patsie if he had a wife and family already. So he persuades Ann Furber, the butler's daughter, to pretend to be his wife—and to make it more convincing, he "borrows" a strange baby. Into this situation marches Gladys, the light of his life. Now Barry has to convince Patsie he is married and Gladys that he isn't married at the same time.

The climax comes when Barry is arrested for kidnapping the baby. Then to top this, he is informed that his estate has dwindled to almost nothing, and all his girl friends desert him—that is all except one. Her wise intervention brings Barry to his senses and the play to a happy ending.

HOWLAND SCHOOL BAND

ROGER W. COE, *Conductor*

The Howland Band was organized in 1924, and has been up and doing ever since. Their first engagement was playing at the Trumbull County Fair—winning first prize for three years—1926, 1927, and 1928. They have taken part in several District Contests, three State Contests and were the only Trumbull County School band to attend a National Contest, two times—once at Cleveland and the other at Elkhart, Indiana.

This year the Band presented its 15th Annual Concert on April 1.

One of the highlights in the life of the Band was the purchasing of seventy-two new uniforms, of which it is very proud and grateful.

At present the Band has sixty-five members—thirty-three girls and thirty-two boys, who are always willing to assist with any school or community project, as their motto is "One For All—All For One".

ORCHESTRA

The orchestra is an important part of the School Program, since it takes part in such school activities as class plays, commencement exercises, assemblies, and other programs. We can feel proud of our orchestra, because of the fact that only four county schools have one. We hope that interest in violin will always remain here at Howland, due to the fact that it is the main difference between a band and an orchestra. Again, the orchestra is for Howland School in every phase of its activities.

A CAPPELLA CHOIR

Webster says, "vocal chorus without accompaniment," but to Howland A Cappella Choir means the best in singing.

The A Cappella Choir had its inception in the desire of members of the Boys' and Girls' Glee Club wanting to pass on to a higher level than their own organization would permit.

The A Cappella Choir began this year. Its members are those who possess the best singing voices, together with the best general musicianship. The Choir is noted for the quality of tone and excellence of performance.

The Choir has performed at the Christmas program, the Vocal Concert, the Baccalaureate Service, and Commencement.

The members of the A Cappella Choir gain spiritual growth through increasing knowledge and appreciation of sacred music both as art and as a form of worship. They interpret to others, by means of public performance, the artistic and spiritual message of music.

The most notable achievement was, "So Early in the Morning", a delightful rural comedy.

This has been a very popular club as can be ascertained from its large body of members.

We hope that this club will develop into a useful hobby that will benefit the whole school in general.

JOURNALISM STAFF

The staff of "The Scoop" the official monthly publication of Howland High School, includes the members of the journalism class and the high school reporters.

Journalism is an elective subject in the eleventh and twelfth grades. The class purpose is to give the student a general survey of the field of journalism, to allow him to determine whether he wishes to make journalism his vocation, and to help him appreciate the problems as well as the contributions of the newspaper in a democracy in order that he may be an informed and discriminating reader.

After getting off to a bad start that did not look so good for the Tigers, they came roaring back in the latter part of the schedule and did very well, considering the strong opposition.

In the tournament, our team got to the quarter finals, only to be eliminated by Bristol, the Trumbull County runners-up.

Baker, Cole, Hermison, Prokop, and Kostyshak were all seniors, playing their last for Howland High in the season of 1941-42.

Woodrow Wilson . .	16	23	Fowler	10	22
Hartford	14	24	Mineral Ridge . .	16	31
Champion	29	22	Cortland	20	23
			Goshen	24	23

Here's a team that looks like Trumbull County's future champs.

Our Reserves, in their regular scheduled season, lost only two games while winning fourteen (14). Their only losses were to Champion and Goshen.

In the tournament they won the first game, crushing their opponent by a large score. They lost their second game to a strong Mineral Ridge quintet in the final seconds of the game.

There are no seniors on the squad, therefore all will be back next year to really show us something in the way of basketball.

ONE SECRET OF SUCCESS . . .

The nation's war effort has once again proven the age-old adage that success and saving go hand in hand. With that thought in mind we have adopted the CAR-CONSERVATION PLAN designed to keep cars on the road for the duration.
